

Transfer Students

Entrance procedures and tuition arrangements are the same as regular students.

Tuition is based upon contact hours needed, plus \$150 registration fee and kit.

Students desiring to transfer must bring **official transcripts** (unofficial or copies of transcripts will not be accepted) from previous schools to the interview in order that remaining clock contact hours required may be discussed and clearly understood. The

Academy reserves the right not to accept all contact hours previously completed at another institution based on academic performance and time elapsed since the course was originally taken.
